# MECTEC

DF100

DF100 - FRONT OR BACK SIDE LABELLING

DF100 is a Print&Apply solution especially designed for flexible and reliable Front or Back side labelling - either working from over or beside the conveyor. Can in some applications also be used for side labelling.

The DF100 has the reliable, robust and easy to use design - as seen on all the Mectec family machines. It is proven to give you 24 hours reliable labelling for many years to come!

Box and parcel labelling. Applies on moving products!

Printer and applicator in right hand version. This machine with 300 mm (optional) stroke.

Handheld terminal TG300 (optional)

Printer Control Unit PCU III
